

December 12, 2010

Below are anticipated construction activities for the week of 12/13/2010.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Contractors will be making repairs to concrete curbs and sidewalks and ADA ramps along the streets listed below. Work is scheduled to take place during the daytime hours, though some sidewalk closures will be necessary overnight. Lane closures and restricted parking are to be expected during construction activities.

- Pennsylvania Street south of Washington Street
- Illinois Street south of Washington Street
- At the intersection of Ohio Street and College Avenue
- Vermont Street from Meridian Street to Pennsylvania Street
- New Jersey Street from Ohio Street to St. Clair Street
- Adams Street from Roosevelt Avenue to 25th Street
- St. Paul Street from Pleasant Run Parkway South Drive to Prospect Street
- Meridian Street from Troy Street to Prospect Street

The rehabilitation of the Oliver Avenue Bridge over White River will continue. The bridge will remain open during construction with lane restrictions.

The Morris Street Bridge over White River will be closed during construction. A posted detour route will direct motorists around this year-long project.

Work continues on Dr. Martin Luther King Junior Boulevard from Fall Creek Road to 30th Street. Banner poles are being installed, decorative crosswalks are being placed and site restoration is occurring with limited lane restrictions.

Conduit repair at the intersection of Delaware Street and New York Street will occur.

The intersection of 10th Street and Miley Avenue will continue to be closed with an anticipated re-opening in late December.

Lafayette Road will continue to be restricted between 16th Street and Cold Springs Road. North- and southbound traffic is restricted to one lane in each direction. Restrictions are scheduled to be lifted January 2011.

19th Street will be closed at the Lafayette Road intersection until late January 2011.

Indianapolis Cultural Trail

Starting Tuesday, lane restrictions will be in place on Washington Street from West Street to Capitol Avenue to accommodate utility relocations.

Work is also in progress on Capitol Avenue from Washington Street to Maryland Street, and Alabama Street from Market Street to Washington Street. Utility relocations are underway on Virginia Avenue and at the intersection of Delaware Street and Maryland Street. Expect delays in that area.

Georgia Street

Utility relocations continue in preparation of the Georgia Street reconstruction scheduled to begin in January 2011. Please visit the project web page at www.indy.gov/dpw.

Scioto Street

Scioto Street will have limited access as reconstruction begins at the area in front of the private parking garage to Maryland Street.

PIKE TOWNSHIP

38th Street from I-465 to I-65 remains under construction. In order to accommodate additional traffic during the holiday season, all lanes of 38th Street will be open until January 5th. Expect delays when construction resumes. Please visit the project web page at www.indy.gov/dpw.

WASHINGTON TOWNSHIP

The intersection of Fox Hill Drive and Grandview Drive will be closed for the installation of sanitary sewers.

Grandview Drive will be closed from Fox Hill Drive to Juan Solomon Park for road reconstruction.

Clearing and channel improvements will occur along Crooked Creek from 44th Street to 42nd Street.

Installation of ADA ramps will occur along Sunset Avenue near the Butler University campus.

Replacement of ADA ramps, sidewalk and curbs will occur on Brewster Road from Township Line Road to Ditch Road.

Clearing and storm sewer installation will continue Michigan Road from Cold Springs Road to Kessler Boulevard with lane restrictions both north- and southbound.

LAWRENCE TOWNSHIP

Installation of new storm sewer will occur along Hague Road from Fall Creek Road to 75th Street.

Road repairs and concrete work are underway on Village Way from 86th Street to 96th Street.

1200 MADISON AVE., SUITE 200
INDIANAPOLIS, IN 46225

Curb and sidewalk replacements may occur along Prairie Drive, west of Castleton Farms.

WARREN TOWNSHIP

Raymond Street will have lane restrictions over Lick Creek during the bridge rehabilitation. The right-hand lanes for both east- and westbound traffic will be closed during this phase.

PERRY TOWNSHIP

Sumner Avenue from Meridian Road to Harding Street will be open to LOCAL TRAFFIC ONLY for the next 110 days during sanitary sewer installation. The suggested detour will be posted along the roadway: Harding Street to Troy Avenue to Meridian Street.

Bluff Road from Troy Avenue to Sumner Avenue will be open to LOCAL TRAFFIC ONLY during sanitary sewer installation.

Work continues on the north half of Hanna Avenue from East Street to Carson Avenue. It is anticipated traffic will be switched to the north half in mid-December to allow the south half to be reconstructed.

Sanitary sewers are being installed along Woodhill Drive, east of Brill Road.

Sewer construction continues in the area east of Meridian Street and south of Edgewood Avenue.
